The primary function of the Alton Assessor's Office is the annual assessment (as of April 1 of each year) of properties located within the Town to determine their market value for tax purposes.

Assessing Department | Town of Alton

The hide was an English unit of land measurement originally intended to represent the amount of land sufficient to support a household. It was traditionally taken to be 120 acres (49 hectares), but was in fact a measure of value and tax assessment, including obligations for food-rent (feorm), maintenance and repair of bridges and fortifications, manpower for the army (), and (eventually) the ...
